Dedication

TO ONE:

Who has helped to establish and uphold the high ideals that are a part of the tradition of Cross Keys High School, the ideals of service and of honor;

Who has given time, thought, and effort to Cross Keys without counting the cost;

Who has had always a warm word of encouragement and praise for students and fellow-teachers;

Whose smile has often brightened the day for all of us;

With affection and admiration,

WE DEDICATE THE
1966 CHIEFTAIN—
MRS. SALLY WURZ

Staff Appreciation

The Chieftain Staff of 1966 has set aside this page to express a special word of appreciation to a faculty member.

His voice is a familiar one to everybody. The sight of him standing in the rain and the hot sun in front of the building is a part of our memory of Cross Keys. We have seen him at dances and at games, when he was standing by ready to help with any problems that came up. He has worked hard for the school and for the students. He has a quiet humor and a friendly, pleasant word for everyone.

Because we do appreciate you for what you have done and for what you are, we say

Thank you, MR. CHARLES BOWERS.

A Year to be remembered . . .

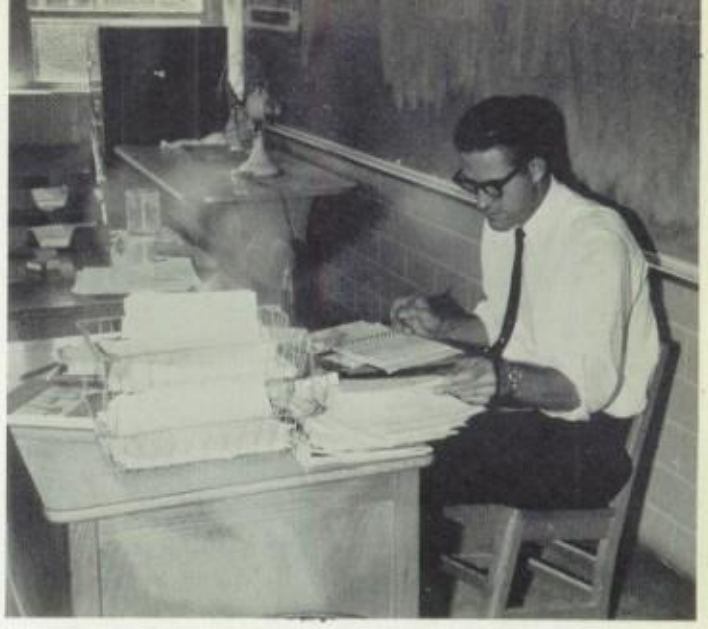
All right, who wants some fruitcake?

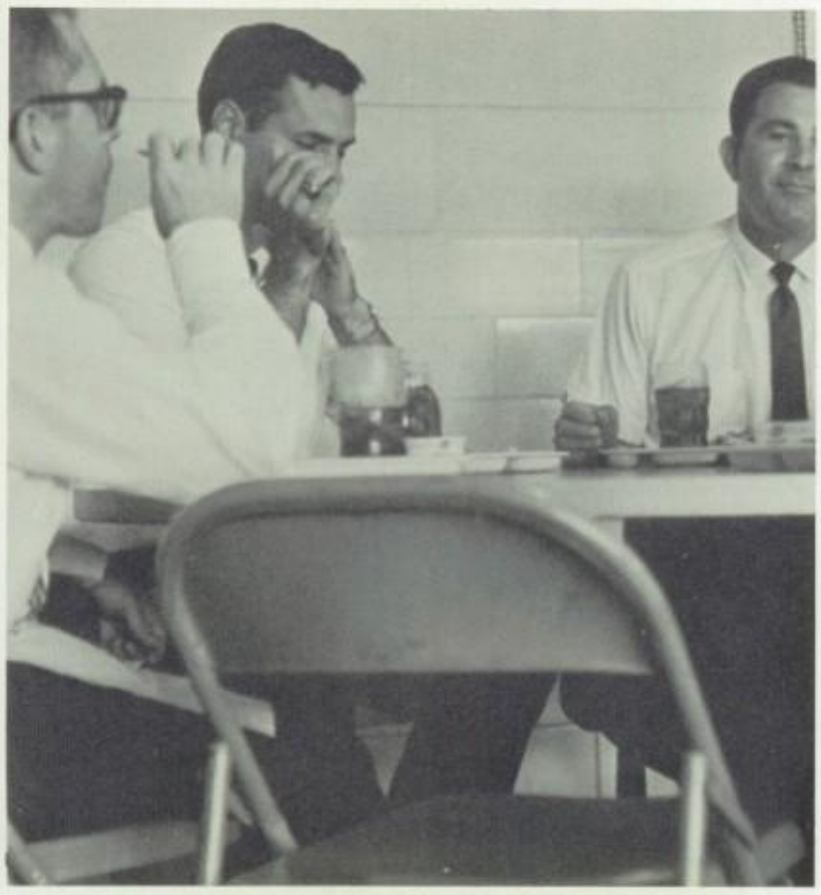
It's a bird, it's a plane . . . Hey, wait a minute. What is it?

What do you mean? My skirt is NOT too short!

I understand, but . . .



Heavens to Betsy!



Not *another* worm!

Patty cake, patty cake.

Work out, girls!

"All right, you bums. Stand up and yell."

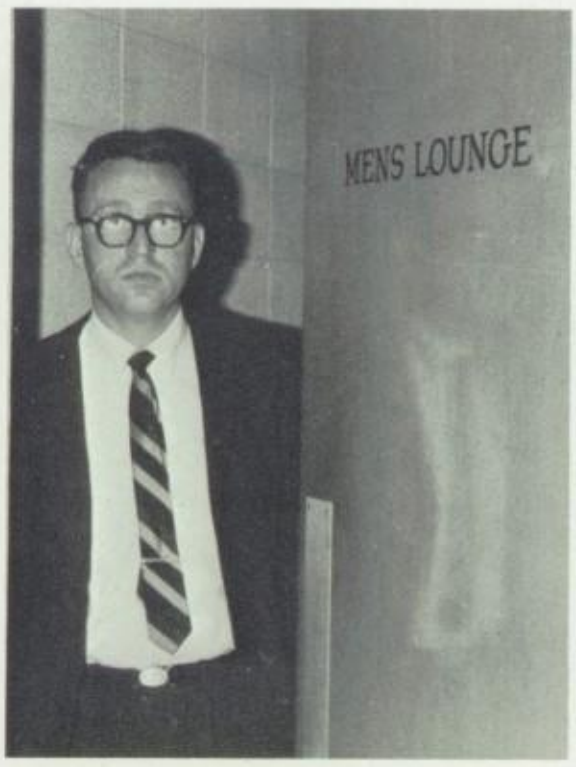
"But I want to be on the drill team."

I hope they didn't *really* think I'd approve that!

Aw, knock it off, fellas.

Oh Darl-l-ling!

I do too wear the same clothes to school two times!



May I come out now?

Is it booby-trapped?

MR. WILBUR P. DERSHIMER
Geneva College, B.S.
University of Pittsburgh, Ed.M.

New at C.K. this year, but widely experienced in education, is our principal, Mr. Wilbur P. Dershimer. He came to us from Pennsylvania, where he had been a teacher, coach, principal, superintendent, and college instructor.

Returning for his second year as assistant principal is Dr. Richard J. Elliott. The responsible and capable leadership of these two men and their interest in the students and in all school activities, have helped to make 1965-66 a great school year.

Counselors and Business Staff Clear the Paths

"I don't feel well: I wanta go home." "How much money does our club have?" "Where should I go to college?" "Do I have enough units to get my ring?" "When can I make an appointment with a counselor?" "I need to make an insurance claim." "My teacher wouldn't let me into class; I need a note." "I was late to class—what do I do now?" "Where do I sign up for this test?" "How can I find a job?" "Where do I turn in Bachelor-of-Ugliness collections?" "I lost my glasses." "What career should I follow?" "I forgot my lunch." "Do I need a foreign language to be an engineer?"

Mrs. Ohrtmann, Mrs. Reynolds, Mrs. Sumner, and the counselors spend their days busily answering these questions, helping students and teachers to solve their problems, and working to allow each individual his best chance for success at Cross Keys.

Along the Paths and Skills

The Social Studies Department seeks to instill in the students a greater knowledge of the past, a better understanding of how the past influences the present and the future, a more sincere appreciation of our heritage as a free people, and a keener desire to become better citizens. The variety of subjects offered presents the students with the opportunity to learn about any phase of social studies, whether it be government past or present, or history ancient or recent.

Business Education and Pre-Vocational Training

In Business Education and Pre-Vocational Training young men and women are trained to secure jobs, in most cases, on completion of high school. The courses offered in this department teach skills which prepare the students for future semi-technical careers. In Business Education skills are emphasized; while in Pre-Vocational Training on-the-job training is stressed.

and Foreign Languages

In the English and the Foreign Language Departments, new courses have been added to increase interest and participation in both areas. Advanced composition and Advanced Speech have been added to the normal five-year English curriculum; Italian is now offered in addition to the regular four-year courses in French, German, Spanish and Latin. We are justifiably proud of the expanding programs of our language departments, which hope to help students with the necessary art of communications.

and Physical Education

The coaches of Cross Keys take great pride in the athletic program of our school. Varsity athletics include fine teams in football, basketball, track, baseball, wrestling, gymnastics, tennis, cross country, and swimming. In addition, there is a regular program of physical education open to all students and required for at least two years. These activities aid in the total development of our boys and girls. Through the rigorous demands inherent in athletic participation, invaluable lessons in fair play and clean competition are learned.

In addition our coaches make a significant contribution to the academic program of our school. They teach in several different fields, including mathematics, social studies, business education, and physical education.

Arts Department

The Arts Department at Cross Keys strives to provide a well-rounded program for the over-450 students enrolled. A varied curriculum is offered in the fields of Art, Industrial Arts, Instrumental and Choral Music, and Music Appreciation. New among these this year is a course in General Music for 8th graders.

Each of these fields of study contributes much to the over-all school program and activities within the community. As "Dynamic DeKalb" continues to grow, the Cross Keys Arts Department will continue to strive to be a significant and integral part of this growth.

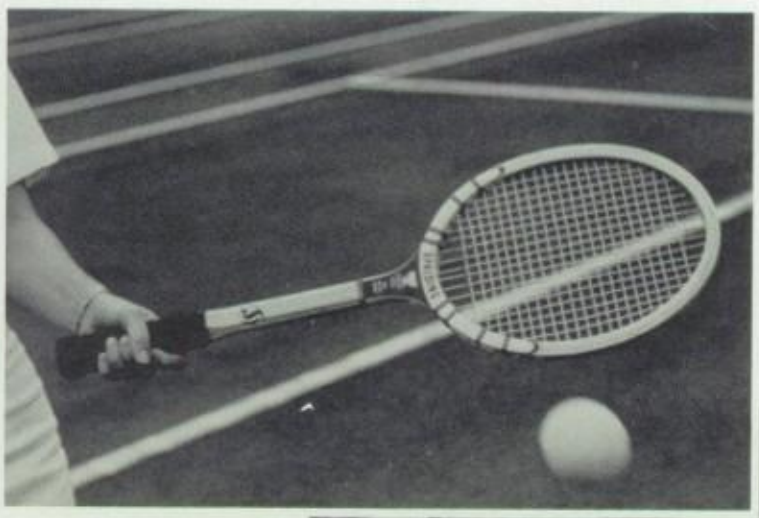
Tennis Is a Racket . . . . . And a Ball

Sure, I'll challenge anyone!

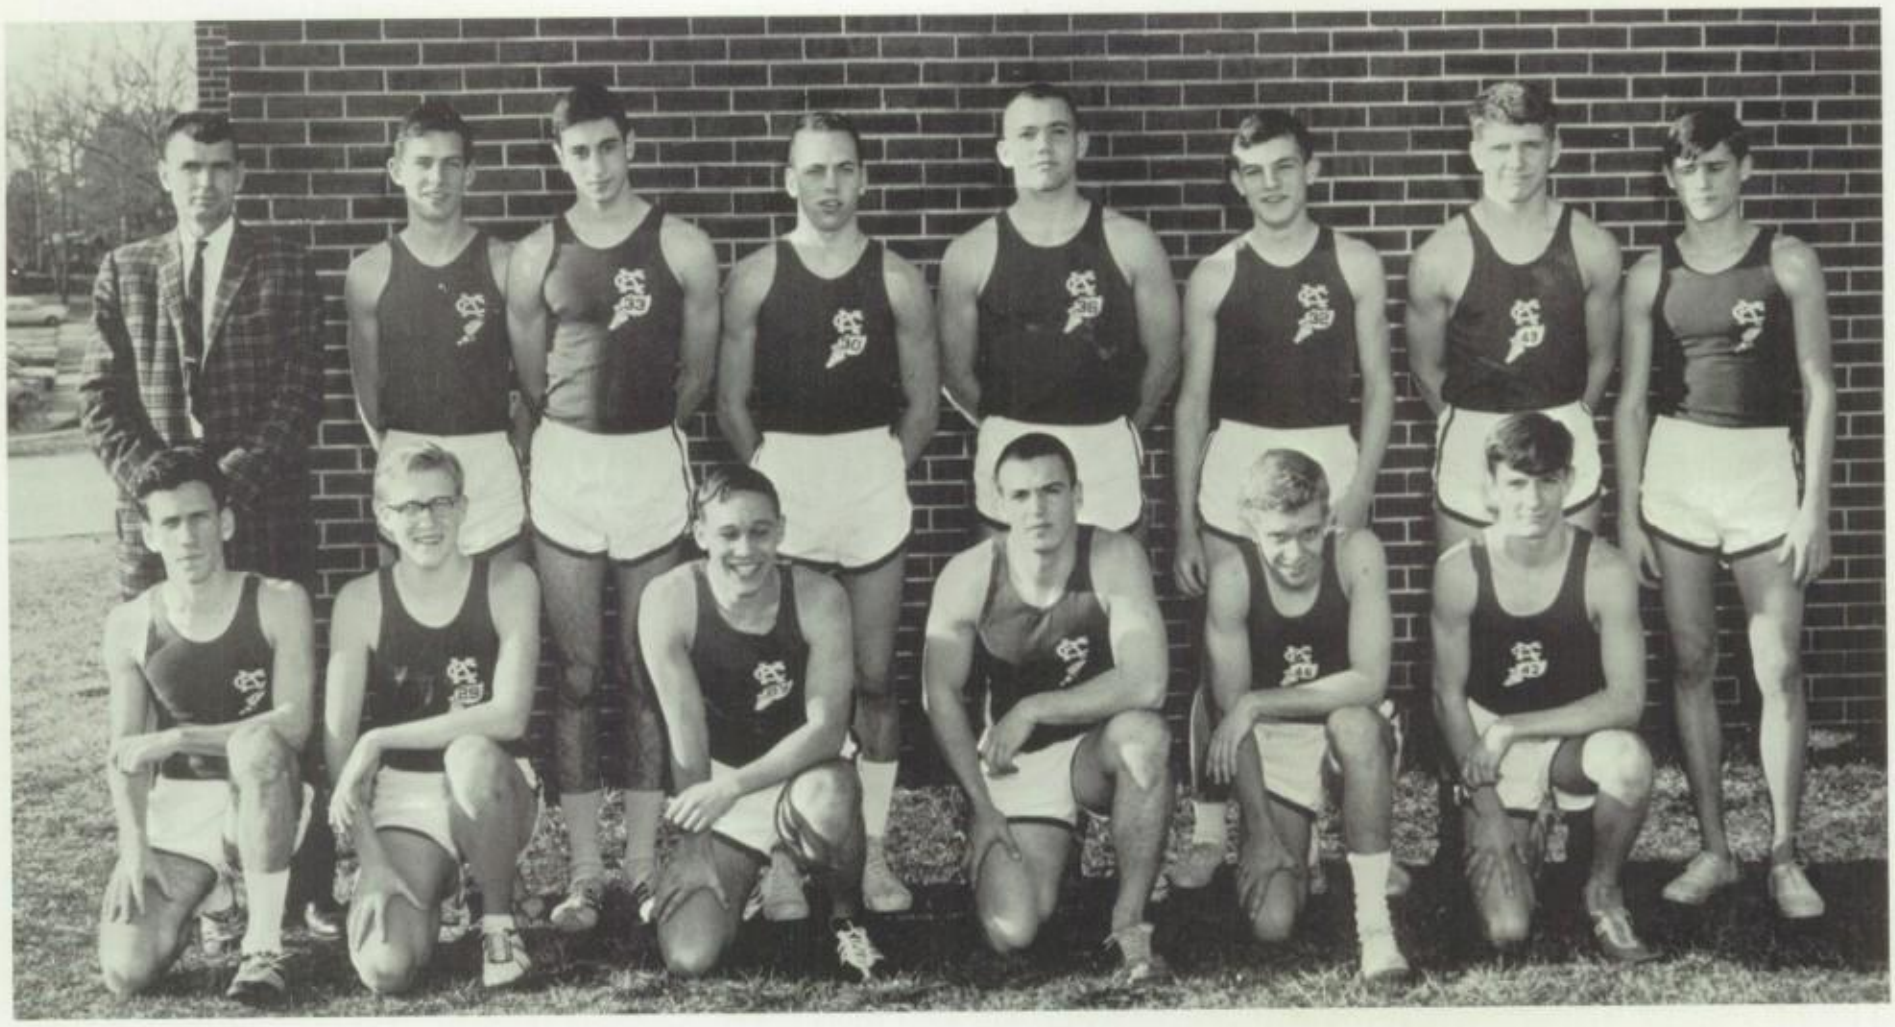


Of course, it has a racing stripe.

Tennis is a sport requiring skill, agility, and endurance. The Cross Keys Tennis Team of 1965-66 began practice March 1. Because of daily hard work on the hot asphalt and experience acquired during former years, the team had a good season, winning many matches.

It's my racket and if I can't use it, I'm going home.

Holy smokes, it is a baseball!



1st row: Gary Eaton, Gary Elmore, Ricky Haas, Mike Hurst, Craig Hutcheson, Eddie Haines. *2nd row:* Coach James Casteel, Bob McLeer, Alan Eisenberg, Jimmy Hurst, Harry Gibbs, Rusty Rilling, David Asbell, Mike Woody.

Trackmen Outdistance Foes

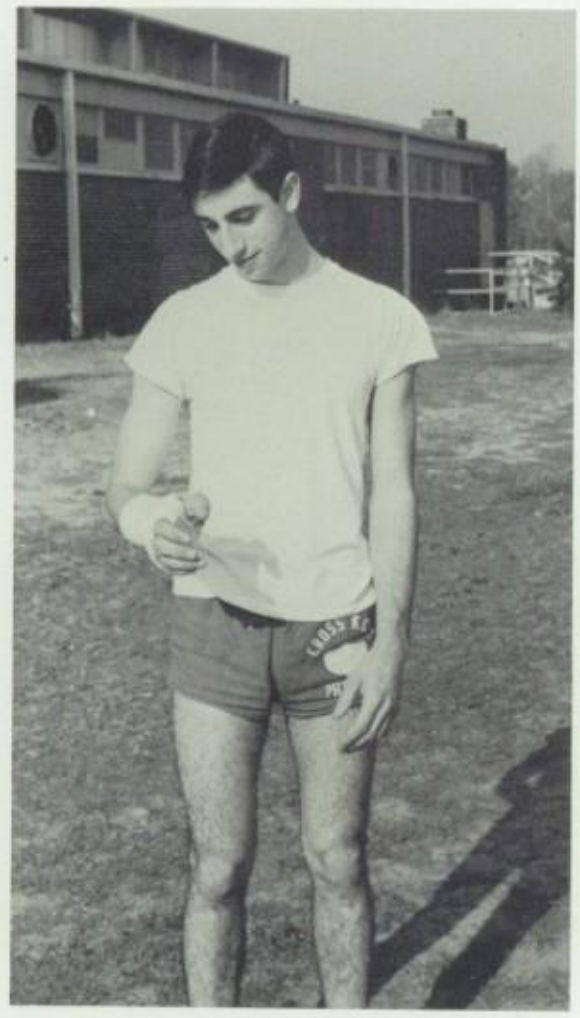
Wait a minute. I think I've got a rock in my shoe.

"I think I hear it ticking."

Each afternoon the boys who go out for track practice running hurdles; throwing the discus, the shot, and the javelin; high jumping; pole vaulting; and broad jumping. The team is young, but has gained experience which should help them in the future.

Stamina is the key to a successful cross country team. This year's team possessed that quality and enjoyed a successful season.

You're kidding. Did they really go the other way?



Accidents do happen.

Simon says . . . jump

"Now, where did you lose your contact?"

"Are you sure this is track and not tennis?"

To set up a code of honor and help raise the standards of the school is the purpose of the newly organized Honor Committee. It is composed of fifteen sophomore, junior and senior members. The task of the Honor Committee was to devise the Honor System and present it to the school in such a way that it would be an effective system. A trial period of ten weeks was voted in by an overwhelming majority of the school. The Honor Committee is serving as the Honor Council until the permanent council is selected.

EVERYTHING AND EVERYONE HAS BECOME SO MUCH A PART OF EACH INDIVIDUAL AND EACH INDIVIDUAL HAS MADE AN UNFORGETTABLE CLASS OF '66

All Paths Lead to Graduation . . .

What do you mean, we decorated the wrong hall?

Stop that, Thing!

Senior Appreciation

In a few short weeks, the Class of 1966 will leave Cross Keys. Each student will take with him cherished, but different, memories of fellow students, of activities and events, and of teachers who have helped him in his struggle to acquire an education. The Seniors are grateful to all of them. There is one man, however, who will be remembered by all the class because he has in some way helped almost every individual member of the class to prepare for his life after high school.

The Senior Class would like to express its deepest appreciation to counselor, teacher, and friend:

MR. H. L. BOLAND

From the Staff

As the last pages of this book are finished, we reach the end of one of the paths of Cross Keys.

We hope that you will enjoy the CHIEFTAIN, that it will capture for you memories that otherwise might fade. If, twenty years from now, you open the pages and smile a small smile or weep a small tear as you step backward in time, our work will not have been without success.

Do my
darling -
I didn't know
you when you got
this, so I'm gunna
write you and
date, but that doesn't matter
I'm sure did miss
you - I mean a whole
didn't know
never knew
you, my dearest. I am so happy to
know it; darling, but I pray to
I will be
I'm reading
- when I'm reading
the most
There are
you
we have been
I'm sure did miss about when I
I'm reading
with the
more
- saw a
- every time
have
when I
I'm
when I'm

I'm
steady now darling I know
what pounds near - but
I think we
better than

and now when
you say
that

you love me, I really believe you. Honest. In fact if you were to tell me that you didn't after all this I don't think I would believe you. Another thing I want to thank you for is the way you are so good to me and my family - always learning me money and buying me darlings. I don't want to read this & not believe me darling & know that you will believe me when I say it's all true. I love you darling more than life itself & want to prove it to you & show you I'm going to have a chance as these days to give a chance to have all I have about all my lords & ladies. Just one more thing "I love you" to make me so very happy & play it alot and

and me at the [illegible]
you and the [illegible]
well I guess that's
usual it's probably
I want you to believe

think about you.

I love you!
